

Please detach above and display on dashboard

Please note:

There are 12 Torbay Innovation Centres Spaces at the front of the College Building. If however, these are occupied, please drive to the rear of the college and park in the main parking areas there - shown in blue on the map below.

The Rear Car Park is on Level 3 of the College Building and, from the furthest point, it can take upto 15 minutes to walk to the Innovation Centre.

The Lower rear car park is restricted to staff (and disabled access) between hours of 0800 and 1600.
